

# GOLD HILL

## syrah

This full-bodied Syrah is a rich and complex red wine with nuances of lavender, spice, anise, and vanilla with a delicate hint of raspberry, cherry, and pepper notes to round out this wine. Pairs well with grilled meats or medium rare cuts such as beef, lamb, ribs, or duck. Goes well with goat cheese and sheep cheese too. This has been in French Oak barrels for 16 months. BC VQA

### REVIEWS

**92 POINTS**

Dark in colour, this wine begins with classic deli meat aromas, along with spicy black cherry and plum. On the palate, there is a satisfying gob of cherry and plum enlivened by black pepper on the earthy finish. This is a deliciously ripe Okanagan Syrah, with a very long finish. — **John Schreiner**
